Very sharp exacto knife for cutting pattern and pattern pieces

Pencil to trace pattern

Cutting mat

White glue (tacky – fast dry)

Clamps/clothes pegs/to hold paper while drying

Tweezers

1. Make snowman- glue pieces and leave to dry

Snowman – snowflake cut out

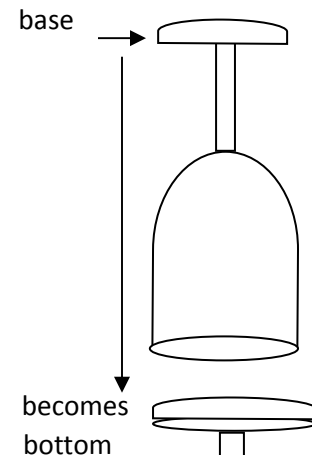

3 pearl beads – 1 small – 1 medium- 1 large

1 black bead – for hat top

1 sequin – for hat brim

1 piece of ribbon – (bunka) for scarf

2. Trace house pieces and cut (roof pieces may already be to size in some kits)
3. Cut out stained glass paper (if making a church) and glue to the inside of the windows
4. Fold and glue house walls (to shape house)
5. Glue Roof down to walls
6. Decide if you want Church or House
7. Cut Chimney or Steeple
8. Fold and glue to Roof
9. Glue chimney or steeple to roof
10. Place window trims and door on house (shutters - mullions)
11. Cut circle from foam board square supplied to fit base of glass
12. Cut circle from batting for snow to fit bottom of glass
13. Paint glue on the inside of the plastic glass stem portion
14. Sprinkle glitter on the glue
15. Glue foam board and batting to bottom of glass (base of stem)
16. Place house, tree and snowman on the snow
17. Before you glue base to glass make sure to check for fingerprints
18. Glue base to glass
19. Note: embellishing can be done in many different ways.

Note: snowflake cutouts to glue on the inside top of the scene  instead of glitter???
